Beginning Blends Game

Player 2:

-ip - an -op
-ed - ap -in
-ot -it -ug

Directions: Attach a paper brad and a paperclip to the middle of the circle. Now you have a spinner. Player 1 spins and lands on a beginning blend. Try to make a word using the rimes (word endings) in your box. If you can make a word, place an X on the rime that you used. If you cannot make a word, your turn is over and it is Player 2's turn. Keep playing until one player crosses off all of their rimes. The first player to cross off all of their rhymes is the winner!
